-Thursday, May 26th: Last Student Day

-End of 4th 9 weeks & End of 2nd semester

Over Summer Break:

Please have your child keep reading over the summer. They have made a lot of progress this year, and we want to keep that up. They've learned a lot of new skills this year. Encourage them to sound out unfamiliar words when they read and ask them questions about what they've read. Keep practicing addition and subtraction facts, telling time, and counting money. I hope your child has a wonderful summer break!

Upcoming Dates:

June & July: **Have a Great Summer Break!** See you in August!
