Greater than/less than

Social Studies: Community helpers

Community helpers are coming in this week to share what they do with students!

Special of the Week:

Library

Important Information

Sight Words- Starting next week, students will learn sight words. These are words that they will not be able to sound out when reading books. Students will need to practice sight words at school and at home to memorize them. Flash cards will be sent home each week to help your child practice weekly words.

Chromebooks- Students will begin taking Chromebooks home starting this week. Please make sure they get charged and brought back to school every day. I do not have any extra chargers in the classroom. Thank you!
