☀️ What We Are Learning This Week

***Each day we will be reviewing some of our previously learned skills from throughout the school year, doing some enrichment activities, and celebrating our growth with some special activities!!**

THANK YOU!

*Dear Families,
It is hard to believe our year in second grade is coming to a close. Thank you for all of your support and communication! It has been a privilege being your child's teacher this year! I wish them all the best as they move on to third grade. Have a terrific summer!*
