

# May Newsletter

April 29, 2024

## Classroom News

**Math:** We are learning about measurement this week! We will explore length, area, and capacity using nonstandard measurement.

**Reading:** We are learning about how authors teach us lessons in fiction text. Our genre for the week is fiction (fantasy and realistic fiction).

**Grammar/Writing:** We will begin writing our own fairy tales. We are reviewing the rules for adding -s or -es to the end of nouns and verbs.

**High Frequency (Red Words):** about, answer; Review: laugh, heart, sure

**Phonics:** Silent Letters: kn, wr, mb

**Social Studies/Science:** We will be starting our Mini 4-H projects.
