April Newsletter

April 15, 2024

Classroom News

Math: We are exploring 2D and 3D shapes. We will be comparing the sides and vertices. We will also see what 2D shapes show up in 3D shapes.

Reading: We are writing a main idea sentence for informational text. We will identify the topic and supporting details to help us find the main idea. Our genre for the week is nonfiction.

Grammar/Writing: We are writing an opinion over which is better, cookies or cupcakes. I will decide which papers are more persuasive and bring in the winning dessert! We are also learning the rule about dropping the -e.

High Frequency (Red Words):
Wednesday, Monday, hour, minute;
Review: month

Phonics: au, aw, augh & ea (short e), a (short o)

Social Studies/Science: We are presenting our timelines!
